

# New web addresses

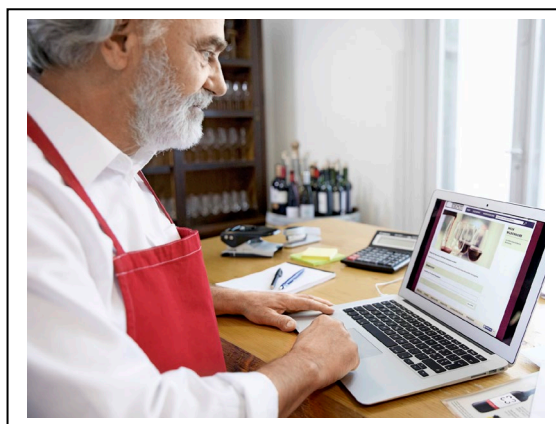

## for Swiss Post CH Ltd, Goods Logistics Switzerland applications

Post CH Ltd, Goods Logistics Switzerland operates web applications for various user groups and applications. This includes platforms for customers (order entry, Track & Trace, etc.), for partners and recipients. These applications will now be grouped under the [postlogistics.ch](https://postlogistics.ch) web address. Furthermore, outgoing e-mails will be sent from the following address: [noreply@postlogistics.ch](mailto:noreply@postlogistics.ch). The new web addresses for all the applications to be adapted are listed below.

### Changeover procedure

The changeover to the new web addresses will take place in phases:

- Changeover to parallel operation as of 1 August 2022:
  - o The old web addresses will still be valid, and you can use the new web addresses in parallel
  - o E-mails will now be sent from [noreply@postlogistics.ch](mailto:noreply@postlogistics.ch).
- Changeover to new web addresses as of 3 October 2022
  - o The old web addresses will be automatically forwarded.
  - o The complete deactivation of the old web addresses is planned for a later date.
